## **COUNTY CARLOW**

### **JOINT POLICING COMMITTEE**

#### **Strategic Work Plan 2016 – 2019**

**Adopted 15022016**

#### **INTRODUCTION**

The main aim of Carlow's Joint Policing Committee (JPC) is to provide a forum where Carlow County Council and the senior Garda Officers responsible for the policing of County Carlow, with

the participation of the local Oireachtas members and community interests, can consult, discuss and make recommendations on matters affecting policing in the county.

From the inaugural meeting of Carlow's JPC, the committee took the view that its work would be based on an ethos of collaboration and co-operation. The Garda Síochána Act 2005 states that *'The JPC's function is to serve as a forum for consultations, discussions and recommendations on matters affecting the policing of the Local Authority administrative area and in particular to -*

*(a) Keep under review –*

*(i) The levels and patterns of crime, disorder and anti-social behaviour in that area (including the patterns and levels of misuse of alcohol and drugs), and (ii) the factors underlying and contributing to the levels of crime, disorder and anti-social behaviour in the area,*

*(b) Advise the local authority concerned and the Garda Síochána on how they might best perform their functions having regard to the need to do everything feasible to improve the safety and quality of life and to prevent crime, disorder and anti-social behaviour within the area,*

*(c) Arrange and host public meetings concerning matters affecting the policing of the local authority's administrative area,*

*(d) Establish, in consultation with the local Garda superintendent, as the committee considers necessary within specific neighbourhoods of the area, local policing fora to discuss and make recommendations to the committee concerning matters that it is to keep under review under paragraph (a) or on which it is to advise under paragraph (b), in so far as those matters affect their neighbourhoods,*

*(e) Co-ordinate the activities of local policing fora*

*(f) A local authority shall, in performing its functions, have regard to the importance of taking steps to prevent crime, disorder and anti-social behaviour within its area of responsibility. "*

The Department of Justice and Equality, following a review of the operation of JPC's, issued Revised Guidelines governing the operation of Joint Policing Committees in August 2014. Carlow Joint Policing Committee has been established, in accordance with these guidelines and the following is a breakdown of the representation on the committee:

- Cathaoirleach of Carlow County Council
- 13 Elected Members of Carlow County Council;
- 4 Oireachtas Representatives;

- 2 Local Authority Officials
- 2 Senior Garda Officials;
- 6 community and voluntary sector representatives.

This work plan serves as a statement of our intentions in regard to the manner in which we will address the relevant issues in accordance with our functions as set out in Section 36(2) Garda Síochána Act, 2005.

In seeking to achieve the objectives outlined here, we will help to ensure that County Carlow is developed in line with Carlow County Council's mission statement *'to make Carlow the best place possible to Live, Work, Visit and Invest'* and An Garda Síochána mission statement *'working with Communities to protect and serve'*.

As chairperson of the Joint Policing Committee I would like to thank all involved in developing this Strategic Work Plan and encourage all members of the committee to assist in achieving the stated aims and objectives.
