Background and legislative framework

Section 36(5) of the Garda Síochána Act, 2005 requires each JPC to complete and submit an annual report to the local authority and supply a copy of the report to the Policing Authority, Minister for Justice, Minister for Housing, Local Government and Heritage and the Garda Commissioner no later than 3 months after the end of each year.

This is an important document as it provides transparency for the community on the work and achievements of the Committee against its annual and strategic plan. It can also provide valuable insights into successful initiatives or learning that might be adopted by other JPCs.

JPCs operate under revised guidelines issued by the Policing Authority in 2022 after consultation with the Minister for Justice, the Minister for Housing, Local Government and Heritage and the Garda Commissioner.

The functions of the Joint Policing Committees are set out in Section 36 (2) of the Garda Síochána Act, which states:

"The joint policing committee's function is to serve as a forum for consultations, discussions and recommendations on matters affecting the policing of the local authority's administrative area"

- a) keep under review:
- (i) the levels and patterns of crime, disorder and antisocial behaviour in that area (including the patterns and levels of misuse of alcohol and drugs), and
- (ii) the factors underlying and contributing to the levels of crime, disorder and antisocial behaviour in the area,
- (b) advise the local authority concerned and the Garda Síochána on how they might best perform their functions having regard to the need to do everything feasible to improve the safety and quality of life and to prevent crime, disorder and anti-social behaviour within the area,
- c) arrange and host public meetings concerning matters affecting the policing of the local authority's administrative area,
- d) establish, in consultation with the local Garda superintendent, as the committee considers necessary within specific neighbourhoods of the area, local policing fora to discuss and make recommendations to the committee concerning matters that it is to keep under review under paragraph
- (í) or on which it is to advise under paragraph
- (ii), in so far as those matters affect their neighbourhoods, and
- (e) Co-ordinate the activities of local policing fora established under paragraph (d) or other

Section 37(1) also provides:

"A local authority shall, in performing its functions, have regard to the importance of taking steps to prevent crime, disorder and anti-social behaviour within its area of responsibility."

JPC 6-Year Strategic Plan

Donegal Joint Policing Committee is a partnership between Government (as represented by Council members and executives, and Oireachtas members) our local communities (represented through Donegal PPN) and An Garda Siochana. The objective of the JPC is to attempt to allow the three pillars of the partnership to achieve more working together than they would working individually for the communities of our county.

Donegal Joint Policing Committee continued to meet and progress our programmes. The five themes that we have selected represent the major social and community safety issues that communities face in this county.

Attempting to address common issues along with communities that we share a border with is a logical thing to do and hopefully we can continue to work with Councils across the border to develop projects similar to the annual cross border drink driving campaign.

Donegal Joint Policing Committee adopted a new Strategic Plan 2021-2026 with the five themes below:

- 1. Rural Isolation, Community Policing and Cybercrime
- 2. Public Order & Anti-Social Behaviour
- 3. Drugs
- 4. Road Safety
- 5. Cross Border Crime Prevention Initiatives

The role of the subgroups is to consider in detail the issues relating to these themes, along with sector experts, and revert to the JPC with proposed interventions.

Donegal Joint Policing Committee continued to meet on a regular basis throughout 2022. Crime trends and statistics are discussed at meetings which highlight issues that the JPC strive to respond to through its Strategic Plan. Local issues are continuously highlighted by elected members and PPN community representatives which allow them to be dealt with by the relevant stakeholders. The JPC has continue to try deliver initiatives that have a positive impact on our communities, such as discouraging anti-social behaviour, promoting an anti-drink driving message and developing a network of community alert and neighbourhood watch groups. A consistent message coming from all stakeholders continues to be the lack of Garda resources and the JPC take every available opportunity to raise this issue nationally.

Meetings of the JPC

Donegal JPC held 4 public meetings throughout the year, with several subgroup meetings under the five themes also took place.

- 3 March 2022 meeting had a Presentation by Charles Sweeney on the work of Age Friendly Alliance. The Garda will continue to work with the Alliance to make people feel safe in their home. We all strive to make Donegal to be a safe place to be.
- 20 May 2022 meeting had a Presentation by Paul and Nolunga of Donegal Intercultural Platform giving an overview of their vision, mission, and actions for change. They outlined their work and the current work they are progressing with the Ukraine community.
- 23 September 2022 meeting had a Presentation by Paula Leonard from the Alcohol Forum on Building Safer indicating results of a survey carried out in Donegal.
- 23 September 2022 meeting also had a Presentation on Text Alert System by Garda Paul Wallace. The new SARA – Problem Solving through Partnership
- 2 December 2022 meeting had a Presentation from Detective Superintendent Sé McCormack from the Garda National Drugs & Organised Crime Bureau on Drug Related intimidation.

Key achievements

Achievement 1

Road Safety - The Donegal Road Safe Shows were held in October 2022. Two shows were held and almost 3,000 students from Secondary schools in Donegal, Derry and Tyrone attended. The show provides a platform to positively influence the driving behaviour of young students as they commence their driving careers or who travel as passengers in cars. Education is the central focus of the Donegal Road Safety Working Group who continues to work to improve the behaviour of road users and in turn reduce road deaths

Achievement 2

The Garda Information Slots on local Radio, which had commenced following a request from Donegal JPC continued in 2022. They became an invaluable medium for informing people of the supports and services available to them from An Garda Siochana and other agencies.

Achievement 3

The 'Ask for Angela' campaign aimed at keeping people safe when socialising. 'Ask for Angela' is designed to assist people who find themselves in a vulnerable or unsafe situation to discreetly seek help by approaching venue staff and asking them for 'Angela'.

The code-phrase indicates to staff that they require help with their situation. A trained worker will then look to support and assist them by reuniting them with a friend, seeing them to a taxi, or by calling venue security and/or the police.

The Garda worked closely with the local Vintners Association, the Hotelier Association, the Joint Policing Committee and Donegal County Council to get the campaign launched in December 2022. Signs and posters will be placed in all participating licensed premises informing people of the project and what it is about.

Achievement 4

The Property Marking Machine allow for the roll out of a scheme where property can be marked using the Eircode of the owner which assists in recovering stolen goods and acts as a deterrent to thieves.

There are now approximately 30 members of An Garda Síochána trained to use these machines. There were numerous clinics held in various locations during the year with big uptake at agricultural shows and marts.

Appendix 2: Summary of Progress in Implementing the JPC's Work Programme

<u> </u>	Appendix 2. Summary of Progress in implementing the 3PC's Work Programme				
	Strategic Objectives (please list in the same order as on JPC Annual Work Plan)	Summaries the actions taken and the progress achieved during the year and any significant difficulties which were encountered	Summarise the advice given by the local authority/ Gardaí – identify specific recommendations made	Results of advice / recommendations – identify the feedback received from the local authority / Gardaí	
	High Priority Objectives				
1	Road Safety	Donegal is fortunate to have an active and successful Road Safety Working Group in the county and it is beneficial to the work of that group that the JPC have identified road safety as one of our strategic themes. The Donegal Road Safety Working Group is an interagency group consisting of Donegal County Council, Transport Infrastructure Ireland, An Garda Siochana, Road Safety Authority, Donegal Youth Service, Donegal ETB, Pro Social Ireland, Foroige, and An Taisce. The group continue to meet monthly to develop and implement road safety initiatives and campaigns with	The Donegal Road Safe Show was held in October 2022, following Covid restrictions. Two shows were held and almost 3,000 students from Secondary schools in Donegal, Derry and Tyrone attended. A full calendar of road safety awareness campaigns is agreed at the start of each year by the group and these are rolled out consistently as education and awareness continues to be the key elements required for improving safety on the roads. The behaviours identified are impaired driving	The Donegal Road Safety Working Group currently has partnerships in place with Finn Harps FC, Donegal Daily website and Donegal Democrat in relation to the promotion of Road Safety in Donegal. Education is the central focus of the DRSWG, changing attitudes, behaviour and the culture of road users are key targets. The Government's Road Safety Strategy – "Our Journey Towards Vision Zero" was launched in December 2021. Ireland's latest Road Safety Strategy, will adopt a transformational and partnership based approach to road safety in Ireland to achieve a 50% reduction in deaths and serious injuries by 2030 and commits to achieving 'Vision Zero' – i.e. no deaths or serious injuries on the roads by 2050. The Donegal Road Safety Plan 2022-2029 has been finalised and due to be published.	

the objective of improving road safety for all road users. The DRSWG is committed to working with local communities and groups throughout the county so as they can work towards playing their part in reducing road collisions. Education is the central focus of the Donegal Road Safety Working Group who continues to work to improve the behaviour of road users and in turn reduce road deaths

through alcohol, drugs, fatigue, speed, non-wearing of seatbelts, distracted driving and awareness campaigns focussing on cyclists and pedestrians. The Your Life Your Choice programme was being delivered in secondary schools pre covid restrictions. It is envisaged that that the programme will recommence and be delivered to secondary school and Youthreach students in Donegal.

Pro Social Ireland has secured Leader funding to run the road safety initiative the Garage Project in 2022/2023. The Garage Project is aimed at teenage boys and girls who have an interest in cars and who are at risk because of their behaviour on the road. They are taught the basics of car mechanics and panel beating and are also educated about the importance of good driving behaviour and the consequences of not doing the right thing. In essence, the programme emphasises the importance of good driving practice and behaviour before the young participants commence their driving career. The programme has been fully subscribed and due to finish in March 2023 when funding ends.

For every driver and road user, road deaths and injuries are a personal responsibility. That responsibility should not and cannot be evaded and must be reaffirmed into 2023 and beyond. Eight people lost their lives on Donegal roads in 2022.

2	Public Order and Anti-Social Behaviour	The Public Order and Anti- Social Behaviour sub-group considers issues of public order and anti-social behaviour and how the JPC can best respond to these issues.
