### Councillor Niall Kelleher, Chair of the Kerry JPC

Welcome to the fourth annual report of the Kerry Joint Policing Committee. The JPC continues to play a valuable role in providing strategic linkages and strong channels of communication between An Garda Síochána, Kerry County Council and the wider Community in matters of policing and safety.

The JPC also provides a level of local democratic oversight of the Garda's work within County Kerry through the forum it provides to elected representatives and those representing community and voluntary organisations to raise matters of mutual concern.

A new JPC convened during 2019. I would like to thank the members of both the new JPC & the 2014-2019 JPC and its sub-committees for their contributions in advancing the JPC's work. I would like to compliment the Gardaí at all levels in Kerry and thank Chief Supt. Foster and her Mgt team for their work with the JPC and for the opportunities for engagement and input into the new Policing Plan. It is an exciting time for Community-centric policing.

### Chief Superintendent Eileen Foster, Kerry Division, An Garda Síochána

The Mission statement of An Garda Síochána is *Ag Coinneáil Daoine Sábháilte – Keeping People Safe.*

Keeping people safe has been a major focus of An Garda Síochána and continues to be a priority for the year going forward. We are committed to the people of Kerry and have increased the number of members in our Divisional Drugs Unit and Roads Policing Units.

We are entering into a new era of policing in the Kerry Division with the implementation of a New Operating Model, the purpose of which is to streamline services and free up sworn members of An Garda Síochána for frontline duties. An Garda Síochána in the Kerry Division are looking forward to working with the JPC in implementing our policing plans while continuing to adapt to our ever-changing environment in facing the challenges ahead. Finally, I would personally like to thank the people of Kerry for their support of the work of Gardaí around the county. *Ní Neart go cur le chéile.*

### Moira Murrell, Chief Executive, Kerry County Council

Kerry County Council works closely with An Garda Síochána on the Joint Policing Committee and in other forums - such as emergency management and road safety.

We share common objectives – to make and promote Kerry as a safe place to live in and a safe place to visit; to create a safe environment which contributes to the great quality of life we enjoy in the Kingdom and to contribute to the positive experiences of overseas visitors, who in turn contribute to our local economy and the vibrancy of our county.

## Kerry Joint Policing Committee:

---

### About the JPC

The Joint Policing Committee (JPC) aims to develop greater consultation, cooperation and synergy on policing and crime issues between An Garda Síochána, Local Authorities and elected local representatives and also facilitate the participation of the community and voluntary sectors in this regard.

The function of the JPCs is set out in section 36(2) of the Garda Síochána Act, which states: “The joint policing committee’s function is to serve as a forum for consultations, discussions and recommendations on matters affecting the policing of the local authority’s administrative area, and in particular to:

(a) keep under review

- (i) the levels and patterns of crime, disorder and anti-social behaviour in that area (including the patterns and levels of misuse of alcohol and drugs), and
- (ii) the factors underlying & contributing to the levels of crime, disorder and anti-social behaviour in the area,

(b) advise the local authority concerned and the Garda Síochána on how they might best perform their functions having regard to the need to do everything feasible to improve the safety and quality of life and to prevent crime, disorder and anti-social behaviour within the area,

(c) arrange and host public meetings concerning matters affecting the policing of the local authority’s administrative area,

(d) establish, in consultation with the local Garda superintendent, as the committee considers necessary within specific neighbourhoods of the area, local policing fora to discuss and make recommendations to the committee concerning matters that it is to keep under review under paragraph (a) or on which it is to advise under paragraph (b), in so far as those matters affect their neighbourhoods,

(e) co-ordinate the activities of local policing fora,

(f) A local authority shall, in performing its functions, have regard to the importance of taking steps to prevent crime, disorder and anti-social behaviour within its area of responsibility.

## Strategic and Annual Plans:

The Strategic Plan was prepared and published in 2016 in accordance with the JPC guidelines<sup>1</sup> & includes a list of strategic objectives, with links to Actions required to achieve these, the lead and key agencies involved and the outcomes to be populated (by sub committees). The sub-committees advance the actions in the plan and determine the priority of the actions – short/medium and long term.

It should be noted, as per the Guidelines (Code S. 2.7 & 2.8) that the JPC role is to make inputs to Policing plans and Local Authority plans and policies. While its focus is on outcomes, it can only produce advice and recommendations to the agencies, which control resourcing and establish policy (and bye-laws). Revised guidelines for the establishment, operation and strategic focus of the Joint Policing Committee were published in 2014 and were outlined to the members at their initial meeting.

The role of the Kerry JPC is to serve as a forum for consultation, discussions, and recommendations on matters affecting the policing of the Kerry County Council's administrative area.

The Garda Division of Kerry does not serve the entire County, in that a small area of East Kerry (around Gneeveguilla and Rathmore) is part of the Cork West Division.

The Chief Superintendent for Kerry has agreed to liaise with her colleague in Cork West to ensure that JPC matters are effectively communicated and consistent in these parts of the County.

The JPC holds quarterly meetings and is also obliged to hold at least one public meeting a year wherein members of the public can submit advance questions for discussion at the public meeting.

The six-year JPC plan must develop a number of priority Objectives which must then be actioned and progress monitored and reported on annually.

## Membership & Meetings of the JPC:

The Joint Policing Committee has been established as a singular JPC for the entire geographic area of the county and comprises 5 Oireachtas Members, 15 elected Council members, 7 community representatives nominated by the Public Participation Network, the Garda Chief Superintendent and one of her staff and the Chief Executive of Kerry County Council (or her Deputy) and a Director of Services.

### Joint Policing Committees Membership

Local authority elected members	Oireachtas elected members	Local authority official	An Garda Síochána	Community
15	5	2	2	7

- Any Oireachtas member who is not a member of the committee can attend at any meeting without prior notice.
- Senior Gardaí and Council officials can be asked to attend meetings of the JPC and of its sub-committees.
- The local press is also invited to meetings of the JPC. An advertised Public meeting will be held each year (S. 7 of the Guidelines).

## Sub-Committees

There were four sub-committees of the JPC which meet at least once per quarter to advance the Action Plan. Each sub-committee is chaired by a Councillor, with Council management, Garda management and PPN/Community representation and participation, as well as co-opted members as needed. These work in the four strategic areas

- Crime Data & Information
- Community Crime Prevention & Response
- Road Safety
- Community Cohesion

There is also a JPC Executive or Steering Group which meets periodically to manage the JPC.

***NB: The new JPC is considering what structures it will use to advance its work programme, especially having regard to the new Policing Plan, as an action & objective based means to manage Garda resources against local and national priorities.***

## Local Policing Fora

The extension of **Local Policing Fora** was a 2019 Annual plan objective. The pilot LPF was established in Ballyspillane (Killarney) and reported into the Community Cohesion sub-committee.

Areas for LPF in the other two Garda Divisions (Rath Oraig, Tralee and Ballyduff, Listowel) were identified by PPN reps and developed during 2019.

## Strategic Themes & Objectives of the Kerry JPC Plan:

Five strategic themes form the basis for Objectives in our JPC Strategic plan. These have been derived and influenced by the following inputs:

- National JPC guidelines
- The Kerry Local Economic & Community Plan
- An Garda Síochána Community Policing model
- Scoping by JPC members in their inaugural meeting

**1) Enhance governance structures and dialogue between stakeholders to understand the causes of anti-social behaviour crime, prevent crime, improve crime detections and prosecutions and contribute to improvements to the Quality of Life of the citizens of Kerry.**

**2) Developing & Understanding crime in the county and its relationship with other economic and social activities.**

**3) Enhancing the Community role in crime prevention and response.**

**4) Making our roads safer for all users.**

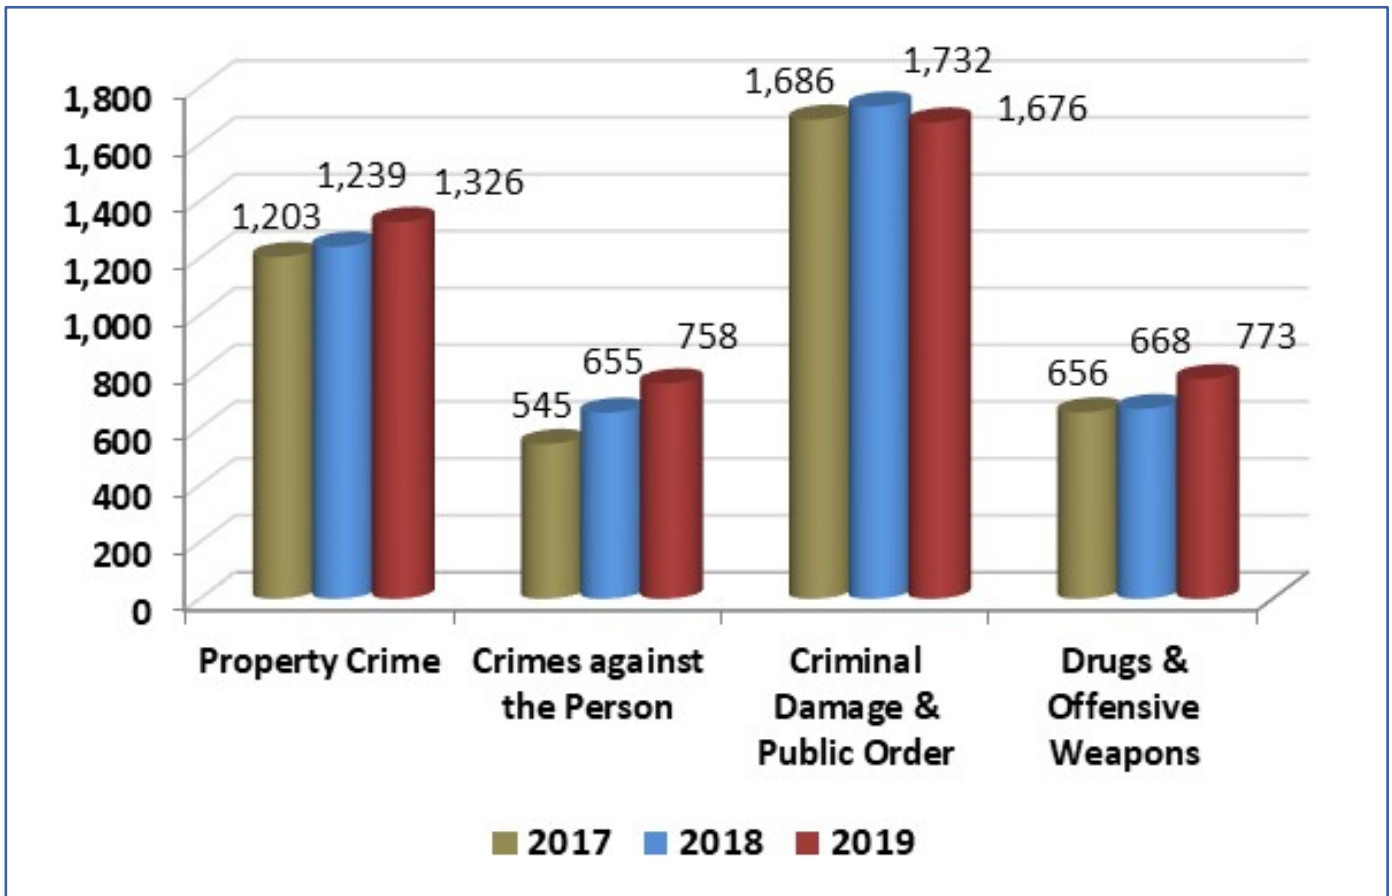

**5) Improving community cohesion and reducing anti-social activities.**

## Key Achievements (Item #2 JPC Guidelines Annual Report)

Item 2 in an Annual Report required by the JPC Guidelines is to list at least three key successes in the period

### Achievement #1: Kerry Garda Youth Achievement Awards 2019

Over two hundred people from across the county attended the Kerry Garda Youth Achievement Awards 2019 held at the Ballyroe Heights Hotel in Tralee on Friday, January 24th 2020. The evening commenced with dinner and was followed by a presentation of twenty-five awards, accompanied with an inspiring citation of each winner's achievements. Twenty Merit Awards, two Group Awards, a Special Achievement Award, a Community Safety Award and the Overall Winner Award were presented on the night. The awards scheme which first commenced in 1998 are held for youths between the ages of thirteen and twenty-one years and recognise the great contribution young people have made and continue to make to their communities in Kerry.

Chief Superintendent Eileen Foster stated "In times where our young people are facing significant challenges, it is inspiring to see them giving back to their own communities through voluntary work, sport or educational achievements." The Youth Achievement Awards, gives An Garda Síochána an opportunity to engage with young people in a positive fashion and recognise these positive interactions for the betterment of the community as a whole and was supported by the Community Cohesion JPC Sub Committee.

### Achievement # 2: Hospital Watch

In April 2019 Hospital Watch was re-launched in University Hospital Kerry. This event was attended by Senior Garda Management and Community Police from the Kerry Garda Division. The initiative was introduced to improve the safety and security of patients and Staff at University Hospital Kerry through increased awareness and high visibility policing in the vicinity of the Hospital. Gardai encouraged members of the Public and Hospital Staff to come forward and report crimes to Gardai who will deal with reports in a prompt and efficient manner. The initiative was discussed at and supported by the JPC Sub-committee on Crime Prevention.

### Achievement # 3: Coffee with your Cops

In July 2019 an event called "Coffee with your Cops" was held at the Rose Hotel. It was a coffee morning with music and dancing, and a number of information stands were present including; An Garda Síochána Crime Prevention/Road Safety, HSE Services for Senior Citizens, Task Community Care Alarm and Pendant Alarm Monitoring Service, KCC, etc. Over 200 people attended from throughout Kerry. The event was a community-based initiative which provided information to members of the Public regarding Crime Prevention and security and was endorsed by the JOC Crime Prevention S/C

### Achievement # 4: Operation Páistí

Operation Páistí - Initiated in the Killarney Garda District by Sgt Dermot O Connell with a view to increasing the awareness of members of the Public of the importance of the use of child restraints in vehicles. The initiative won a National Road Safety Award and was endorsed by Kerry County Council with the JPC Chair playing key role. Operation Páistí has been proposed for out nationally award.

### Achievement # 5: Municipal District – Quarterly Local Crime Briefings:

Briefings continued for four and then five Municipal Districts on a quarterly basis. This has facilitated Garda management at a local level to engage with Elected members on local community safety crime issues. It also ensures that the full JPC can focus on more strategic areas.
