COVID-19 REPORTS

GARDA INTEGRITY

Oversaw the Gardaí as they strived to balance human rights and policing initiatives to prevent and combat corruption and promote ethical policing. This includes reporting on policing of the COVID-19 health crisis.

DRUGS POLICING

Engaged with Garda management and frontline members and with communities to understand the policing response being provided to tackle the issue of drugs in communities, and the effectiveness of this approach.

CAD INCIDENTS/ 999 CALLS

Scrutinised the invalid and unwarranted closure of CAD/999 incidents focussing on governance, supervision, training and technical aspects. Published an independent interim update on the Garda Síochána review of the matter.

LISTENING TO COMMUNITIES

Met with communities to hear their experiences of policing and issues concerning them, to inform our oversight and interactions with the Garda Commissioner. Consulted with the public on Policing Priorities 2022-2024.
